Together with our partners in the Regional Network of Southern Alberta (RINSA), we are offering the Teconnect+ED series of programs designed to educate, empower and inspire entrepreneurs of all business development stages within the community. If you have questions or are looking for additional support, contact our Program Manager [Leslie Warren](#) for an initial meeting to see how we can work together, or continue to access your (already assigned) [business adviser](#) for one-on-one coaching sessions.
