

## PROGRAMS & EVENTS

At Economic Development Lethbridge we're committed to offering relevant sessions on topics that matter to start-ups, entrepreneurs, businesses and the community. Together with our partners in the Regional Network of Southern Alberta (RINSA), we are offering the Teconnect+ED series of programs designed to educate, empower and inspire entrepreneurs of all business development stages within the community. If you have questions or are looking for additional support, contact our Business Development Advisor, [Bill Halley](#), for an initial meeting to see how we can work together.

### **Rural Entrepreneur Virtual Portal**

Teconnect and Business Link believe that small business supports should be accessible to people across Alberta. In partnership with Chinook Arch Regional Library System, this pilot project will provide virtual business training and advisory services to residents of rural and remote areas of Southern Alberta.
